Form PTO/SB/08B INFORMATION DISCLOSURE STATEMENT BY APPLICANT (use as many sheets as necessary)		Complete if Known	
Sheet	1	of	2
		Application Number	10/087,268
		Filing Date	March 1, 2002
		First Named Inventor	Elizabeth E. Powell
		Group Art Unit	1645
		Examiner Name	Not yet assigned
		Attorney Docket Number	10338-3U1

OTHER PRIOR ART - NON PATENT LITERATURE DOCUMENTS		
Exr Initials	Include Name of first Author (in CAPITAL LETTERS), title of the article (where appropriate), title of the item (book, magazine, journal, serial, symposium, catalog, etc.), volume-issue number(s), page(s), date (in parentheses). If a book, also include publisher and city and/or country where published.	T ₁
	AWAD et al., "Genotypic variation in the transforming growth factor- β 1 gene: association with transforming growth factor- β 1 production, fibrotic lung disease, and graft fibrosis after lung transplantation," <i>Transplantation</i> 66(8):1014-1020 (1998).	
	BAKER et al., "Transducers of life and death: TNF receptor superfamily and associated proteins," <i>Oncogene</i> 12:1-9 (1996).	
	BATALLER et al., "Angiotensin II induces contraction and is mitogenic for cultured human hepatic stellate cells. Antagonization by losartan and modulation by vasodilators," <i>Hepatology</i> 28:437A (1998) (Abstract only).
